I, _____ agree that, in return for being allowed to dive the springs, runs and rivers on and adjacent to the Ginnie Springs property, **I will abide by the following rules:**

Diver

Parent/Guardian

I understand that I am expected to follow all prevailing standard safe-diving practices for divers of my level of training and certification, as described by the major training agencies. I understand that to use compressed air or other breathing media, anywhere on or adjacent to the Ginnie Springs property, I must either be **certified to dive** by a major, recognized training organization, or **be under the direct supervision of a certified instructor**. I further understand that **I may not and will not attempt to teach friends, family members or others to dive** unless I am an insured instructor, in current teaching status, with a major, recognized training organization.

Diver

Parent/Guardian

I understand that, as a certified diver, I may enter the Ginnie Springs cavern and, if desired, use an underwater light there. I understand, however, that in so doing:

- I may not and will not **enter the cavern with less than the equivalent of 50 cubic feet of breathing gas in my cylinder(s)** (roughly 2,000 psi in an 80 ft³ cylinder).
- I must and will **exit the cavern** as soon as I have used one third of the breathing gas supply I had when I first entered the cavern.
- Under no circumstances may I or will I be in the Ginnie Springs cavern with **less than 40 cubic feet of breathing gas** (roughly 1,500 psi in an 80 ft³ cylinder).

I further understand that if I am a student participating in any level of training, other than Cavern Diver or Cave Diver, **I may not and will not enter the Ginnie Springs cavern**, nor dive anywhere else on or adjacent to the Ginnie Springs property where I cannot make a direct, uninterrupted ascent to the surface.

Diver

Parent/Guardian

I understand that, unless I am a fully certified Cavern or Cave Diver, who has been trained to standards equivalent to those of the NSS-CDS and NACD (or a student who is undergoing such training), **I may not and will not enter the water at Devil's Eye, Devil's Ear or Devil Spring with any form of underwater light**, including video lights and camera strobe modeling lights. I understand that **I may not and will not have such a light in my possession** while in the water at or near these sites. I further understand that **I may not and will not follow the lights of certified Cavern or Cave Divers** into the caverns and caves at Devil's Eye, Devil's Ear or Devil Spring.

Diver

Parent/Guardian

Finally, I understand that **carving, breaking off or defacing any natural rock formation** in the water on or immediately adjacent to the Ginnie Springs property is **expressly prohibited**.

I understand and agree that violation of these or any other Ginnie Spring rules can result in my immediate expulsion from the Ginnie Springs property, without refund.
